DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA,

The most extraordinary Medicine in the World.
This Extract is put up in quart bottles; it is six times cheaper, purer, and warranted, superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patient.
The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES.
Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of several cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.
10,000 Cases of General Debility and want of Nervous Energy.
Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORATING CORDIAL, as it removes and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.
Consumption Cured.
Cleanses and Strengthens. Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh Coughs, Asthma, Spitting of Blood, Soreness in the chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c. have been and can be cured.
Rheumatism.
This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.
James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:
Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the most distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.
Yours respectfully,
JAMES CUMMINGS.
FITS! FITS! FITS!
Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester county:
FORDHAM, Aug. 13, 1857.
Dr. Townsend, Dear Sir—I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in our circulars for cases like hers, we thought as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it has not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours, respectfully,
JOHN BUTLER, Jr.
FEMALE MEDICINE!
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or falling of the womb, Piles, Leucorrhoea, or Whites, obstruction or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system, no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us; thousands of cases where families have been blessed with children after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.
Great Blessing to Mothers and Children.
It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child; prevents pain and disease, increases and enriches the food, and those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents disease attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Dyspepsia, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this Medicine is, it is always safe, and the most delicate use it most successfully.
OPINIONS OF PHYSICIANS.
Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.
This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.
Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shape bottles, and some of them have stole and copied our advertisements; they are only worthless imitations and should be avoided.

ANODYNE CORDIAL
FOR THE RELIEF & CURE OF
Diarrhoea & Dysentery.

THIS valuable preparation needs but the trial of a single bottle to prove its efficacy in Diarrhoea and Dysentery. It is as mild and safe a remedy for nursing infants, as for adults. During the present Cholera season, when any approach to Diarrhoea, should be immediately checked, the Anodyne Cordial should be in every family.
Here are a few recommendations of this Medicine, others could be obtained but we trust the Public will judge these all sufficient to induce a trial of the Cordial.
Price 50 cents a Bottle—Money returned if the remedy prove useless.
Edgfield C. H. 23d July, 1849.
This will certify that I used the Anodyne Cordial in an alarming case of Diarrhoea in my family with complete success—and I believe this Cordial to be one of the best remedies ever invented for the cure of that disease.
DANIEL ABBEY.
Edgfield C. H. 16th July, 1849.
This may certify that I had a Diarrhoea of one week's standing, cured by 3 or 4 doses of Doct. Chase's Anodyne Cordial.

I purchased a bottle of Anodyne Cordial of Doct. Chase, and used it with great success in my family.
MARSHAL FRAZIER.
This certifies that I have used the Anodyne Cordial in a number of cases of Diarrhoea in my family during the last year with unvariable success, and I cordially recommend the remedy to others.

FROM THE LATE PASTOR OF THE EPISCOPAL CHURCH.
To whom it may concern—Last summer I was afflicted with a troublesome Diarrhoea and made use of a small quantity of Doct. Chase's Anodyne Cordial, and I hesitate not to state, that I think the remedy a valuable one.

LIVER COMPLAINT,
JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS,
And all diseases arising from a disordered Liver or Stomach in both Male and Female:

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swelling of the Head, Headache, and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Debility of Respiration, Yellowness of the Skin and Eyes, Pains in the Side, Back, Chest, &c., Sudden Flashes of Heat, Burning in the Flesh, Constant Imaginations of evil and great depression of Spirits can be effectually cured by
DR. HOOFLAND'S
Celebrated German Bitters.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States—the cures attested in many cases after skillful physicians had failed. Derangement of the Liver and Stomach are sources of Insanity, and will also produce disease of the Heart, Skin, Lungs and Kidneys, and lays the body open to an attack of the Cholera, Bilious, or Yellow Fever, and is generally the first cause of that most baneful disease, CONSUMPTION.
Opinions of the Philadelphia Press.
"THE DISPATCH,"
December 31st says:—

AN INVALUABLE MEDICINE.—We have frequently heard the Celebrated German Bitters, manufactured by Dr. Hoofland, spoken of in terms of commendation, and we know deservedly so. It is a too common practice, in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the Liver Complaint, Jaundice, Nervous Debility and Dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating diseases, when all other medicines have failed.
We are convinced, that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame—a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be administered under any circumstances, to the most delicate stomach. Indeed, they can be used by all persons with the most perfect safety. It would be well for those who are much afflicted in the nervous system, to commence with one teaspoonful or less, and gradually increase. We speak from experience, and are of course, a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

"SPIRIT OF THE TIMES,"
June 24th says:—
"DO OUR GOOD CITIZENS who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's Celebrated German Bitters? If they do not, we recommend them to the 'German Medicine Store,' all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debility. The Doctor has cured many of our citizens after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater value upon our humble effort, they are entirely Vegetable."
Can't stronger testimony be adduced by any Preparation before the public? A single bottle will convince any one of their power over disease. They are entirely Vegetable, and will permanently destroy the most obstinate catarrhs; and give strength and vigor to the frame, at no time debilitating the patient; being also grateful to the most delicate stomach under any circumstances, and can be administered with perfect safety to delicate infants—they are free from Alcohol, Syrup, Acids, Calomel, and all mineral and injurious ingredients.
They are taken at all times and under all circumstances, no ordinary exposure will prevent them having a salutary effect, and no bad result can accrue from their use.

HASTING'S COMPOUND SYRUP OF NAPHTHA.

NOT only a positive but a warranted cure for Consumption and all diseases of the lungs. This medicine has decided the dispute about the curability of consumption, and satisfied the medical faculty and all who have used it, that consumption and all affections of the lungs can not only be cured, but they are as easily and simply cured, as almost any of the disorders to which the human frame is liable.
The operation of a single bottle, which costs \$1, is sufficient to destroy any patient—not altogether too far gone with the disease—of this fatal, and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords. This is no quick or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of confiding so himself, for the sake of profit, a secret, which was calculated to do such universal good. And such has been the wonderful result of its operations, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all other diseases of the lungs.
